<p>FORFEIT & SANCTIONS</p>	<ul style="list-style-type: none"> - If a team withdraws due to an injury before or during a match or gets disqualified during a match it will earn 1 match point and will keep the sets and points earned up to that moment, but the sets and points against will be the maximum. For example, if a team wins the first set 21:19 and is injured and forfeits the match when they are losing the second set 4:6, this injured team would earn 1 match point with sets of 1:2 and rally points of 21:19, 4:21 and 0:15. In this example, the winning team would get 2 match points with sets of 2:1 and rally points of 19:21, 6:4, 0:0. In addition, its match result will be marked with "INJ/DSQ". - If the injury occurs before the match begins, the match will be marked "INJ/DSQ" and the losing team will be awarded 1 match point with sets of 0:2 and rally points of 0:21, 0:21. In this case, the winning team will be awarded 2 match points with sets of 2:0 and rally points of 0:0, 0:0. - If a team withdraws without a valid reason before a match (e.g. no show) they will lose by forfeit 0-2 (0:21, 0:21) and will earn 0 match points. The winning team will receive 2 match points with sets of 2:0 and rally points of 0:0, 0:0. - In the case of an athlete requesting a medical injury time-out or forfeiting a match due to injury, immediately following the relevant score sheet administration, he/she will be given a copy of the BVB-49 form by the match Referee (the exception to this rule being the use of medical injury time-out due to blood injury). Upon receipt, the athlete will then be responsible for filling in the reasons for the medical injury time-out request or the forfeit of the match and must then sign it and present him/herself along with the form at the tournament's medical office. After going through a check by the official medical doctor, the athlete will then be responsible for giving the form, duly signed by the official medical doctor, to the FIVB Technical Supervisor who shall assess the situation (if needed together with the event's Organizing Committee, the official medical doctor and the FIVB Medical Delegate, if present), and make a copy of the form to be attached to the Technical Supervisor report together with the relevant match score sheet. The athlete must then present the form duly completed to the FIVB Technical Supervisor before he/she plays their next match either in the same tournament or at the Technical Meeting for the next event he/she wishes to participate in. In the case that the medical doctor(s) for the team concerned is not available, the athlete must get the written approval of the tournament's official medical doctor or the FIVB Medical Delegate, if present. - A maximum of two medical injury time-outs per athlete within a 12-month period are allowed.
